Pie Jesu domine  
Dona eis requiem  
Dies irae dies illa  
Solvat saeculum in favilla  
Teste David cum Sybilla  
Tuba mirum spargen sonum  
Per sepulcra regionum  
Coget omnes ante thronum  
Liber scriptus proferetur  
In quo totum continetur  
Unde mundus Judicetur  
Rex Tremendae majestetis

Flammis accribu addictis  
Voca me cum benedictis  
Oro supplex et acclinis  
Cor contritum quasi cinis  
Gere curan mei finis  
Lacrimosa dies illa  
Qua resurget ex favilla  
Judicandos homo reus  
Huic ergo perce deus  
Pie jesu dona eis requiem
