Zgjo Minushi, zgjo Birbili, zgjo Resul Aga
Ishin mbledhur dhe po pinin ne nje kafene
Te bukur grua qe paske bre Menush Aga
Ku e njeh, ku e ke pare qe ma molloin
E pashe nje dite ne krua qe po mbushte uje
I dhashe shamine e dores, ajo ma pastroj
I thashe nja dy tre fjale ajo mi pranoj
Minush Agai qe i pire vajti ne shtepi
Mori thiken dhe e their o gruan e tij
Te nesmen qe i del rakia vajti tek varri
Cohu grua, cohu vishu se une bera faj
Cohu grua, dil nga varri se une bera faj

Cohu vishu e stolisu dil ne shoqeri/Stand and put your clothes, make up, and jewelry on to see your friends (more nonsensical calling of a dead person... it just gives the audience a really awkward feeling and makes them feel his pain... or maybe non-pain)

Cohu vishu e stolisu, dil ne shoqeri
Te te shohin gjithe bota dhe une i mjeri
