Everyday, everyday I have the blues
Everyday, everyday I have the blues
When you see me worried, baby
Baby, it's you I hate to lose

Pack my suitcase, move on down the line
Pack my suitcase, move on down the line
Ain't nobody worried, sure ain't nobody cryin'

Seems to me
Everyday, everyday, everyday I have the blues
Everyday, everyday I have the blues
When you see me worried, baby
Baby, it's you I hate to lose

Nobody loves me, nobody seems to care
Nobody loves me, nobody seems to care
I'm gonna find that woman
'Cause she's in this world somewhere, alright

Nobody loves me, nobody seems to care
Nobody loves me, nobody seems to care
I've got to find that woman
'Cause she's in this world somewhere

Seems to me
Everyday, everyday, everyday I have the blues
Everyday, everyday I have the blues
When you see me worried, baby
Baby, it's you I hate to lose

Nobody loves me, nobody seems to care
Nobody loves me, nobody seems to care
I'm gonna find that woman
The woman's in this world somewhere

Seems to me
Everyday, everyday, everyday I have the blues
Everyday, everyday I have the blues
When you see me worried, baby
Baby, it's you I hate to lose
