Learn to love me or leave me
Either one you wanna do
Learn to love me or leave me
Either one you wanna do
Because strange things are happenin'
Babe, an' somethin' might happen to you

If you know you don't love me
Why don't you let me be?
If you know you don't love me
Why don't you let me be?
Because it's better to be without you
Then to live on in misery

Hey

Midnight find me cryin'
Daylight find me cryin' too
Midnight find me cryin'
Daylight find me cryin' too
You better change your ways, pretty baby
Or somethin' might happen to you
