Shed no tears for me
There'll be rain enough today
I'm wishing you godspeed
As I wave you on your way
This won't be the first time
I've stayed behind to face
The bitter consequences
Of an ancient fall from grace
I'm a daughter of the race of Cain
I am not a stranger to the rain
Orphan in the storm
That's a role I've played before
I've learned not to tremble
When I hear the thunder roar
I don't curse what I can't change
I just play the hand I'm dealt
When they lighten up the rations
I tighten up my belt
I won't say I've never felt the pain
But I am not a stranger to the rain
And somewhere far from safety

There's a man who's walking free
His story isn't mine
But he's as much alone as me
He has left his home to walk among
The wounded and the slain
And when the storm comes crashing on the plain
He will dance before the lightning to music sacred and
profane
Oh, shed no tears for me
Light no candle for my sake
This journey I'll be making
Is one we all must make
Shoulder to the wind
I'll turn my face into the spray
And when the heavens open
Let the drops fall where they may
If they finally wash away the stain
From a daughter of the race of Cain
I am not a stranger to the rain
Let it rain
