What trials have my selfish pursuits penned in confusion?

(Leave me be belief)(oh indefinite inquiry! )

And what noble creations can come from any cursed man?

And if his conviction for honesty in his art

Should lead to corruption,

What punishment would see justice done?

I've read of my humanity

Of this cursed flesh

My hands are empty

My heart is full of regrets

Take me from this lonely road

This shallow hope

Show me true beauty
