Whenever your around I can't keep my heart in my chest,
I can't keep my feet on the ground.
Your the girl that makes me happy to be anywhere if you are there.

She snuck up on me,
I saw her eyes in the shadows
in the folds of a black curtain,
I just wanted to kiss her.

I'm so afraid of losing you, and I don't even know you, at all.

You filled my mouth up with sand,
and you laughed at me, and all my silly plans.
Out of my pocket fell the world,
while I was writing our names in a heart.
Your such a special girl.

She snuck up on me,
I saw her eyes in the shadows
in the folds of a black curtain,
I just wanted to kiss her.
I'm so afraid of losing you, and I don't even know you, at all.

We sat by the water's edge
and talked about video games, and emo kids.
Now every night we talk on instant messenger,
but I want to look in your eyes
not in my monitor.

She snuck up on me,
I saw her eyes in the shadows
in the folds of a black curtain,
I just wanted to kiss her.

I'm so afraid of losing you, and I don't even know you, at all.

Let's run away together, the further the better.
