Let me wrap you in my warm and tender love, yeah  
Let me wrap you in my warm and tender love

Oh, I loved you for a long, long time  
Darling, please say you'll be mine  
And let me wrap you in my warm and tender love

Let me wrap you in my warm and tender love, yeah  
Let me wrap you in my warm and tender love

You're so lovely, you're oh so fine  
Come on and please me with your touch  
And let me wrap you in my warm and tender love

Though I loved you a long, long time  
Darling, please say you'll be mine  
And let me wrap you in my warm and tender love

(I said it'll be alright if you just let me)  
Let me wrap you in my warm and tender love  
(Oh yeah, baby, come on and let me

Let me wrap you in my warm and tender love  
(I said it'll be alright if you just let me)  
Let me wrap you in my warm and tender love  
(Oh yeah, baby, come on and let me)  
Let me wrap you in my warm and tender love
