It doesn't matter
What you create
If you have no fun

Pretty girl
Put down your pen
Come over here
I'll show you how its done

I can dance, I can drink
In the dark
It's all a trick

Across the room, across the street
I'm in the moment
Can't you see

I'm a party girl
Do a twirl
See my eyes, throw a glance
Can't you see I'm a natural

Life of a party girl, funny girl
Make you laugh, want me bad
Now I feel so much better

In the back
Of a car
I just met them tonight and I feel like such a star

What's your name
What's your art
Nobody knows
About my broken heart

Yes I'm a party girl
Crazy girl

See my lips, how they move
Can't you see I'm a natural

Life of a party girl
Sexy girl
I used to be so fragile
But now I'm so wild

What did you do last night?
Oh, I was out so late, now I'm so tired

What did you do last night?
Oh, I was out so late, now I'm so tired

I'm a party girl
Do a twirl
See my eyes, throw a glance
Can't you see I'm a natural

Life of a party girl, funny girl
Make you laugh want me bad
Now I feel so much better

I used to cry
But now I don't have the time
I used to be so fragile
But now I'm so wild

I used to cry
But now I don't have the time
I used to be so fragile but now I'm so wild
So wild
