She's been beaten down
Trampled on.
She swore to herself that she'd never
Ever love again,
For a while,
For a while.
'Cause love is for fools that's what she said
And she's insecure and she goes out the door
'Cause her hearts been broken too many times before
And she's insecure just like before.
But hey take a chance on.

'Cause somebody tore your heart
And threw it away
Never to come back again
No oh ouh whou.
Now you're terrified and now you're afraid to fall
But baby i know you're hurt but take a chance on me
My dear.
We'll pick up the pieces we'll pick up the pieces
And we'll be
We'll be alright from here.
Ohh ohhh ohhh

And she's so afraid , so afraid
She keep her head down low so love would come away
But if you listen close, listen close
Her heart's beating fast but look in for an escape
But she's insecure and she goes out the door
'Cause her hearts been broken too many times before
And she's insecure just like before
But hey take a chance on me.

'Cause somebody tore your heart
And threw it away
Never to come back again
No oh ouh whou
Now you're terrified and now you're afraid to fall
But baby i know you're hurt but take a chance on me
My dear
We'll pick up the pieces we'll pick up the pieces
And we'll be

We'll be alright from here
Ooh
Ooh
From here
Ooooh

And the stars ,they fall ,with no where to go
And the stars ,they fall ,with no where to go

When somebody tears your heart,
No it's not the end
Someone will come along
Better than the rest

When somebody tore your heart
And threw it away
Never to come back again
No ouh whou
Now you're terrified
And now you're afraid to fall.

But baby i know you're hurt
But take a chance on memy dear
We'll pick up the pieces we'll pick up the pieces
And we'll be,
We'll be alright from here
Ohhh ohhh
Ohhh ohh
Hmmm.
