"A Small Dark Cloud"

There's a fly in the ointment.
It's a speck of a fly,
But a fly nonetheless.
There's a fly in the ointment,
It's a speck of a fly,
But a fly nonetheless.
It's a picnic!
Dark cloud.
Fly in the ointment.
It's a picnic!
Put out the cloth on the ant hill.
It's a picnic!
Dark cloud.

Fly in the ointment.
What?

I see confusion -
It's a picnic!
I see confusion -
It's a picnic!

We'll sit around,
And sit around,
And wait.
Picnic time!
It's a picnic!
Don't rock the boat!

We'll sit around,
And sit around,
And wait.
