"Final Solution"

The girls won't touch me cuz I got a misdirection
Living at night isn't helping my complexion
Signs all said it's a social infection
Little bit a fun now I get an insurrection

My mom kicked me out till I get some pants that fit
She just won't approve of my strange kinda wit...
I get so excited I always gotta lose it
Man they sent me off, man I'm takin cures

Don't need a cure (x3)
Need a final solution!
Don't need a cure (x3)
Need a final solution!

Buy me a ticket to a sonic reduction
Tires gonna sound like a nuclear destruction
Seems I'm a victim of natural selection
Meet me on the other side not a direction

Don't need a cure (x3)
Need a final solution
Don't need a cure (x3)
Need a final solution

Solution...
Solution...
Solution...
Solution!
