Hang my head - believe that I've died -  
I'm fryin fish by the riverside.  
You the way, the way back home,  
Honey Moon.

All the world is like a one arm man,  
Swimming hard the best that he can.  
I'll be the one, you never know.  
Honey Moon, I miss you so.  
Honey Moon.

Cloudy sky, looks like rain.  
Stand aside for the start of some pain.  
I get so tired it's like I'm another man.  
Say no more, the rest I know.  
I never like it when that part of me shows.  
Cover up, cuz I think that I'm needin.  
Honey Moon, I'm already bleedin.

All the world is like a one arm man,  
Swimming hard the best that he can.  
I'll be the one, you never know.  
Honey Moon, I miss you so.  
Honey Moon.

Swing low. I know.  
Saw the pot called a heart of gold -  
Hung around it like a one eye dog.  
Fix the roof?  
Believe that I'll try.  
I might know better when it's day or it's night,  
Stand by, I think that I'm sleepin.  
Outside, the corn it is creepin.

All the world is like a one arm man,  
Swimming hard the best that he can.  
I'll be the one, you never know.  
Honey moon, I miss you so.  
Honey Moon.  
Honey Moon.  
Honey. Moon.
