Oh  
It was the first thing that I saw  
You never see that kind of Classical Girl  
Understand  
It was the first thing that I saw  
That was fate  
It was the ballistics!  
No  
that was fate  
It was a world  
What a world!  
What a world?  
What a big world  
But a world to be drowned in  
It's just a joke man!  
Another day?  
Well  
SUFFER  
for that's the way of the west  
SUFFER  
Oh  
Oh it's a joke!  
It's a joke  
Oh  
It's a JOKE  
That's a joke?  
Hunh-unh  
Well  
humor me
