Hope some people say, He's a wild one.
Anyway...
You know I'm a rolling stone.
You know I been born to be alone.
But I'm just happy to be me.
Mona, my Mona, she comes to me from Arizona.
Bombay, Talinn -
Pretty places that I've never seen.
You know I been born to roam.
I grab my hat.
That's my home.
Mona loves Popeye.
Mona loves Popeye.
Mona loves Popeye, loves Popeye, loves Popeye.

Who knows the hearts of men?
I've heard it all, but then again...
You know I been born to run.
Mona, my Mona, she comes to me from Arizona.
I'm just happy to be me -
A cartoon sailor on a cartoon sea.
Mona loves Popeye.
Mona loves Popeye.
Mona loves Popeye, loves Popeye, loves Popeye.

I hope some people say, He's a wild one.
Anyway...
I hang my hat.
It's time to go.
Mona, my Mona, she comes to me from Arizona.
Mona, my Mona, she comes to me from Arizona.
I'm just happy to be me -
Just a cartoon sailor on a cartoon sea.
