Hey, it's me again!
Hey!
It's ME again.
H e W a l k e d A g a i n.
Hey!
H e W a l k e d A g a i n.
HEY!
He had it on the run.
Run, run, run!

He hummed & hummed a zombie tune -
He whistled in the dark.
He hummed & hummed a zombie tune -
Whistled in the dark.
Put out the cat; put out the fire,
PUT OUT THE CAT.
Put out the cat; put out the fire,
PUT OUT THE CAT.
He had it on the run.
Run, run, run!

It was a dream; it was a tin can.
It was a dream.
It was a dream; it was a tin can.
It was a dream.
Had he kick, kicked that dream,
Kicked that dream down the street?
He had it on the run.
Run, run, run!

(The rocks; he had it on the rocks!)

Abandoned.
I've been abandoned!
Put out the WHAT?
My life depends on this.
My life depends on this?
My life depends on THIS!
Wave bye-bye.
