If the sun won't arrive in the morning.
And the moon won't arrive in the evening, too -
Then we start to get a kind of picture of how it would
Be to...
Baby, to live without you.
There's a hole in the bucket.
There's a rock in my shoe.
I'm working up a set of notions of how it would be
To...
Baby, to live without you.
Warning! Warning!
Here we have the deep water.
Danger: Strange Feelings.
Danger: Strange Feelings.

Five o'clock in the morning.
And there's something happening here.
Why, I finally get a kind of picture.
The point is coming through.
Clouds of mystery clear.
I drop down a hole.
I find a hollow earth.
I wake up in a land of extremes -
To find the worst that could be,
That everything would be just what it seems.
Warning! Warning!
Here we have the deep water.
Danger: Strange Feelings.

If the sun won't arrive in the morning.
And the moon won't arrive in the evening, too...
Then we start to get a kind of picture -
The light is coming through.
Clouds of mystery clear.
I drop down a hole.
I find a hollow earth.
I wake up in a land of extremes -
To find the worst that could be,
That everything would be just what it seems.
Warning! Warning!
There we have the deep water.

Danger: Strange Feelings.
