V-I-CKY

The sound of her name makes the little kids cry
(AHHHHHHH)

Hey vicky you're so so icky
Just the thought of being around you makes me oh so
sicky

Hey vicky won't you please explain why
you get so much enjoyment out of causing kids pain
(OH OH OH!)

A chick who's just plain mean
A sour sweet 16
She's a fire breathing dragon
in a pair of black jeans (EEEEWWWW)

AHOOOOOOO

Hey vicky won't you tell us true
how'd we ever get the bad luck to be stuck with you
Oh vicky can we say one thing
It's your super total yuckiness
that makes us wanna sing

OOOOOOHHHHHHHHHHHH!

Icky Vicky ooo ooo
Icky Vicky ooo ooo
ICKY VICKY!

Chippington Skylark's(Chip Skylark's grandpa) Version,
heard in "The Good Ol' Days"

Whose teeth cut chains at the hardware store?
The girl that's rotten to the core
Icky Vicky (Boo boo de doop)

Whose breath smells like a dog's behind?
Who's as cuddly as a porcupine?
Who's a curse to all mankind?
Icky Vicky

Who only comes out at night?
Who gives ghosts and ghouls a fright?
Who gives Dracula a bite?
Do I even have to say it?

Who's the meanest girl in town?
Who turns smiles into frowns?
The biggest dragon in Chinatown?
Icky Vicky
