I know there's hurt
I know there's pain,
But people change
Lord knows I've been no saint
In my own way,
Regret choices I've made
How do I say I'm sorry?
How do I say I'm sorry?

I was scared, I was unprepared
Oh, for the things you said
If I could undo that I hurt you
I would do anything for us to make it through

Draw me a smile, and save me tonight
I am a blank page waiting for you to bring me to life
And paint me a heart let me be your art
I am a blank page waiting for life to start

Let our hearts stop and beat as one together
Let our hearts stop and beat as one forever

How can I erase decisions I've made
How do I go back what more can I say
All that remains are hearts filled with shame
And how do we say we're sorry?
How do we say we're sorry

I was scared, I was unprepared
Oh, for the things you said
If I could undo that I hurt you
I would do anything
For us to make it through

Draw me a smile and save me tonight
I am a blank page waiting for you to bring me to life
Oohh paint me a heart let me be your art
I am a blank page waiting for life to start

Let our hearts stop and beat as one together
Let our hearts stop and beat as one forever

I'd go back in time and I'll realize
Our spirits aligned and we'd never die

Draw me a smile, and save me tonight
I'll be your blank page waiting for you to bring me to
life
Paint me a heart let me be your art
I am a blank page waiting for life to start

And Let our hearts stop and beat as one together
Let our hearts stop and beat as one forever
