I used to think you where cute, with your cool guy
attitude,
Until I opened my eyes and saw you.

Hey mr cool, I got news for you
Think you played me, but I played you too (HA)
Think your a rockstar, keep on wearing my jeans.
Think your a heart throb, couldnt have me in your
dreams.

Give it up cause' I'm over you, your wasting your time,
oh
Hang it up cause I'm done with you, your not o my
mind, so
Get up, get out, get lost, get out of my life.
Hang it up cause I'm done with you, your wasting your
time,
Ex oh
