My momma said I should never go too far
My momma said just remember who you are
My momma said don't go chasing all them boys

My momma said take it slow, don't get caught up in the
noise
My momma said I should always walk the line
My momma said take it easy when you're drinking the
wine

But all the talk makes me wanna slam the door
Cuz all the bruises only make me want it some more

I want it all, all or nothing
And I'm not ashamed of what I am
It's how I'm living yeah...

Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah

My momma said leave your ego at the door
My momma said girl you're crazy always looking for
more
I don't care I just wanna live my life
No I don't care if it's wrong when it's felling so right

I want it all, all or nothing
And I'm not ashamed of what I am
It's how I'm living yeah...

Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah

You make the rules, I live to break
I love the life on center stage
All eyes on me I say it proud
It's who I am I'm coming out

You make the rules, I live to break
I love the life on center stage
All eyes on me I say it proud
It's who I am I'm coming out

I want it all, I want it all, I want it all
All or nothing
And I'm not ashamed of what I am
It's how I'm living yeah...

Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
Cuz I like it like it like it like it like it yeah
