You'll never know what you're worth,
Until you grab it by both hands, and make it work

Yeah yeah
Call your name once don't mistake me
Zip kitsch true strangulation
You'll only complicate me
You'll never motivate me
Yeah yeah

You could have it your way if you would only
Stop wasting away feel like somebody
Put those feelings away feel it pass

Move it out of the way
Move it out of the way
If you've got nothing to say
Here he'll pass

Yeah yeah
Dance to the music baby
Dance to my music baby
I'm gonna love you better
Oh, you know you want it baby
Yeah yeah
