Hook:

I got a war with you, got a war with you
I'll be on the front line, I'll be on the side
I got a war with you, got a war with you
Is you and I miss the road until I die
I got a war with you, got a war with you
Got her ride anytime even when her...
I got a war with you, got a war with you
Is you and I is the word until I die

I can careless what they say
I'ma be with you anyway
Yeah I know the... trying o go shots
And man I guess the... on top
Me and my man like the...
I can give you what you think

Only wanna do is put it down
I won't let em of it because you're my baby
We watching hard on them... is like live right
My hair up looking like I'm ready for a fight
They sweatin hard better ain't for them suckers
Bout to do it love love the... of them busters like

[Hook:]

Baby baby baby baby
Baby baby baby baby

We matchin hard on them haters like left right
My hair up looking like I'm ready for a fight
They sweatin hard better ain't for them suckers
Bout to do it love love the... of them busters like

[Hook:]
