I've been tolerating  
Your shit for way too long  
You're one insult away  
From it going all wrong

I will take back  
(Take back)  
Everything you took from me  
I will take back  
(Take back)  
Everything you took

Now it's all about revenge  
Hate and dedication  
To bring you towards your bitter end  
To bring you to your bitter end

I will take back  
(Take back)  
Everything you took from me  
I will take back  
(Take back)  
Everything you took

So many times  
So many times, I just gave up  
So many times, so many times  
You would pull me down

Too many times  
Too many times, I let you win  
Too many times  
I handed you the crown

I will take back  
(Take back)  
Everything you took from me  
I will take back  
(Take back)  
Everything you took from me

Eye for an eye

Eye for an eye  
Eye for an eye  
Eye for an eye
