

## **A Perfect Murder "Unbroken"**

Visit "[Unbroken](#)" on MotoLyrics.com

You, you discouraged us in so many ways  
Everyday was an obstacle, everyday seemed wasted  
And you kept saying we wouldn't belong  
We will remain unbroken, we will remain unbroken

We will never stop chasing our dreams  
Your efforts are useless  
And you'll get what you now never expected

Now your cheap shots fall, fall from the target  
We learned to roll with the punches  
And never forget the life we now live and the life we  
might have left  
We will remain unbroken, we will remain unbroken
