I'm fighting for a sign  
O, the middle of a life  
I fear is out of time  
'Cause I've been dreaming  
Kicking, screaming, hopeless and alone  
Am I breathing, no more sleeping  
Weightless as a stone.

Nothing is the same now  
Nothing is the same now.

It's time...  
To stand up for my rights.  
In the middle of a life  
I fear is out of time

'Cause I've been dreaming  
Kicking, screaming, hopeless and alone  
Am I breathing, no more sleeping  
Weightless as a stone.

Nothing is the same now  
Nothing is the same now.
