You know I love to drink my share  
Of whiskey, beer, and wine  
But lately I've had one too many one too many times  
So bartender I've been thinkin' up a drinkin' resolution  
I've thought about it long and hard  
And here is my solution

Cut me off at one tonight  
That's gonna be my limit  
Help me look out for my elbow  
Watch how much i bend it  
I can't stay out all night no more  
I gotta get home early  
So cut me off at one tonight  
Or about one thirty

If they held a honkytonk marathon  
You know i'd win the prize  
Cause every night when i crawl home the sun gets in  
my eyes  
But tonight it's gonna be different  
Yeah i'm finally cuttin' down  
In fact i feel so good  
I think i'll buy another round

So cut me off at two tonight  
That's gonna be my limit  
Help me look out for my elbow  
Watch how much i bend it  
I can't stay out all night no more  
I gotta get home early  
So cut me off at two tonight  
Or about two thirty

Well there's more to life than fun and games  
And it's high time that i learn  
There's times you gotta sacrifice  
And i guess that it's my turn

So cut me off at three tonight  
That's gonna be my limit  
Help me look out for my elbow

Watch how much i bend it  
I can't stay out all night no more  
I gotta get home early  
So cut me off at three tonight  
Or about three thirty

Yeah cut me off at three tonight  
Or about three thirty  
Yeah....
