dancing all by yourself  
youre not alone  
tell me to go to hell  
i cant move on  
cuz i dont like the drugs you slipped me  
its affecting the blood and my mind is guilty

#### CHORUS

i dont mind telling you  
that i miss touching you  
doing you any time  
you came across my mind  
i dont mind telling you  
that i miss fucking you  
you know ive done my time  
just give me back whats mine

where do i go from here  
now that youre gone?  
im wasted in jealous fears  
youre moving on  
and u dont like the way you need me  
its affecting the blood in your mind is in me

#### CHORUS

i dont mind telling you  
that i miss touching you  
doing you any time  
you came across my mind  
i dont mind telling you  
that i miss fucking you  
you know ive done my time  
just give me back whats mine

and i dont like the drugs you slipped me  
its affecting the blood and mind is guilty  
and i dont like the drugs you slipped me  
its affecting the blood and mind is guilty

#### CHORUS

i dont mind telling you

that i miss touching you  
doing you any time  
you came across my mind  
i dont mind telling you  
that i miss fucking you  
you know ive done my time  
just give me back whats mine
