I think about the day I met the perfect stranger I think
about us And I think about the day I got wrapped
around

your finger I think about us The sun was shining on you
The Lord was smiling on me And love was calling us I
had my

mind made up And I can't stop loving you I can't help
myself And I can't get over you No matter what I tell
myself,

baby Never thought I'd ever love anyone else in my
weakness I think about us And I'm thinking about the
day you

left without speaking I think about us I think about the
love we had for our children I think about
us. hmmm babe

I think about the way we laughed without a reason I
think about us, girl. hey yeah There will be
no more lies

Somebody tell me why I feel like I'm dying Lord what's
come over me? Oh, baby can't you see? That I can't
stop

loving you (I can't - stop loving you, girl) I can't help
myself (Ummm babe) And I can't get over you (I can't
get
over you, babe) No matter what I tell myself, babe (No
matter what I tell myself, babe) I can't stop loving you

(stop loving you girl) No matter how hard I try (no
matter how hard I try) And I can't get over you (get over
you

babe) And I don't know why I think about
us. I think about us. I think
about us. And think about us.
Think about us.

I think about us
I think about
us (Ummm babe) I can't get over
you. Ohh yea, baby
I Ummm girl
