Speed kills  
Speed kills  
But you wanna go anyway  
Speed kills  
Speed kills  
You wanna do it do it anyway

And when you've reached Havana  
It's time to call Jo-anna  
She's says you'll never be the one  
So you're still on the run  
Still on the run

Speed kills  
Speed kills  
But you wanna go anyway  
Speed kills  
Speed kills  
Do it do it do it do it anyway

She says you'll never be the one  
So you're still on the run  
Still on the run  
Still on the run  
Still on the run
