Last night  
I took a wrong turn  
In the dark  
I took a wrong turn  
I, I

And the motorway was empty  
I got a little bit scared  
In the dark  
Yeah I got a little bit scared  
Of my possible death  
Stuck in a burning wreck  
Of the pain

And by, by the time  
I got to Johnsonville  
I made up my mind  
Parked by my favorite wall  
In the light  
Looked mean old death in the eye  
Said I've seen your shadow, it's there all the time  
It's there all the time  
It's there all the time  
Until it's gone
