I sat in court a thousand years  
But I never aged a day  
And though my reign was a time of peace  
Oh my heart, my heart was full of pain

And I dreamt we were one  
And I dreamt we were the same  
And I dreamt we shared a mortal frame

My lands crumbled in my hands  
And my people they just sighed  
They say 'our king he is suffering  
These could be could be trying times'

And I dreamt we were one x4

And I dreamt we were one  
And I dreamt we were the same  
And I dreamt we shared a mortal frame
