Rising star  
Karaoke king  
The way he moves the way he sings  
Is like preaching and his teachings are reaching  
But oh my lord  
He's dead (he's dead) and I'm not (I'm not) and I've got  
a lot of  
Rollin' down this dusty road before they come and take  
my soul

But now they've got in to my head  
No one will believe me when I'm dead

And I am not a mortal saying  
No one will remember me

I joined the SLA (SLA)  
To bring the government down (government down)  
And I timed jump (timed my jump)  
So you could see me drown

And I'm drinkin' on the mother goat  
The demons milk is in my throat  
I'd love to stay but I gotta go  
I got the disco soul of the PLO

But now they've got into my head  
No one will believe me when I'm dead

And I am not a mortal saying  
No one will remember me

And I am not a mortal saying  
No one will remember me

Oh carry me over the river of Jordan  
Into Jerusalem's Arabic quarter  
And I'll pay my penance  
And I'll drink the water  
And I'll sell my son to the emperor's daughter

'Cause now they've got into my head  
No one will believe a word I said

And when I'm at the pearly gates  
They'll say turn around boy, you're too late

Now they've got in to my head  
No will believe me I'm dead

But I am not a mortal saying  
No one will remember me
