If you feel like getting even I understand  
I just wanna say, "I'm sorry things got out of hand"  
I only wanted you to like me that's how I am

Is it harder on your own, is it hard to be someone?  
I've heard you're turning into stone  
While I'm on my way home, I'm on my way home  
And I've been for so long, I'm on my way home

If you feel like you've been cheated that's no surprise  
But there were things back then that I did not realize  
I came to understand that sometimes your feelings lie

Is it hard to be unknown, is it dull to be alone?  
I've heard you're sinking like a stone  
While I'm on my way home, I'm on my way home  
And I've been for so long, I'm on my way home

Is it harder on your own, is it hard to be someone?  
I've heard you're sinking like a stone  
While I'm on my way home, I'm on my way home  
And I've been for so long, I'm on my way home

I'm on my way  
I'm on my way  
I'm on my way

And I've been for so long  
I'm on my way home  
On my way home
