Sister Risk

Sometimes (sometimes)
It gets so hard
But I just keep on moving

If you follow further in the footsteps
Of gods and monsters
Gonna get ya, gonna take ya for all you've got
It took me for all I had

You sure remind me
Remind me of the reasons
That I'm searching for the seasons
And time
To get away
Find some peace of mind

Sometimes (sometimes)
It gets so hard.
But I just keep on moving

Send me your special interest in my personality
'Cause I always thought
That you and me could get on
Casually
Get it on Casually

Now I never had the nerve to tell you
How I really feel
"Cause you're so pretty now
And I'm such a casual guy

Sometimes (sometimes)
It gets so hard.
But I just keep on moving

You split the light into

Into black and white
