"When I Fall"

I thought you should know, I don't wanna let go
Since you're all I've ever dreamed of
What will you do to make me want to

Just don't ever try to find out why
I always keep you waiting
Some things are better left unknown

When I fall, if I fall
Darling, hold me
'Cause when I fall, if I fall
I will take you with me

When I fall, if I fall
Darling, hold me
'Cause when I fall, if I fall
I will take you with me

You mean the world to me, so I ain't gonna let go
I need you to cling to
What will you do to make me stop

Just don't ever try to find out why
I always leave you hanging
Some things are better left unknown

When I fall, if I fall
Darling, hold me
'Cause when I fall, if I fall
I will take you with me

When I fall, if I fall
Darling, hold me
'Cause when I fall, if I fall
I will take you with me

When I fall, if I fall
Darling, hold me
'Cause when I fall, if I fall
I will take you with me

When I fall, if I fall

Darling, hold me
'Cause when I fall and I fall
I will take you with me
