If everything's the same
When I wake up tomorrow, I'm giving up
If nothing here has changed
When I wake up tomorrow, I'm taking off

October left some wounds
But it took a while to see
It's way too soon
To say what it's done to me

But as long as I'm okay
I want to figure it out myself
Let's just hope that in a day
I'll find a way

If everything's the same
When I wake up tomorrow, I'm giving up
If nothing here has changed
When I wake up tomorrow, I'm taking off

December came today
And I'm just as bored as ever
No way I'll stay
I'll leave this place forever

I hope there's time to live a while before I die
And if some day I find that time I'll try
To make the cold winter months seem just like warm
July
I hope there's time to live before I die

And as long as I'm okay
I want to figure it out myself
Let's just hope that in a day
I'll find my way

If everything's the same
When I wake up tomorrow, I'm giving up
If nothing here has changed
When I wake up tomorrow, I'm taking off

If everything's the same

When I wake up tomorrow
