Greetings.

We are not of this planet.

We do not understand

Your strange customs.

Your planet's ecosystem

Is failing.

Your leaders deny this.

Explain.

Your leaders deny this.

Your leaders deny this.

Your leaders deny this.

Your leaders deny this.

Why

Do your leaders lie to you?

Why

Do so many of you believe these lies?

Explain

Your strange customs.

Why

Believe these lies?

Save the planet.

Kill yourself.

Save the planet!

Kill yourself.
