Tired of games, tired of waiting
Waiting on you
I'm going insane, trying to restrain, my feelings for you
I know you got a man, but girl I don't believe it
Where's your man at, right when you need him?
We can't deny, baby I'm trying
But I think it's time you let him go

Cause I don't wanna push you away
I gotta get out of this, emotional rollercoaster
Up and down it's always the same
I gotta get out of this, emotional rollercoaster

I don't wanna end, I don't wanna end,
I don't wanna end out with a broken heart, heart X 4

I just need to know, I just need to know
So what do you say, cause I really need to
Know if you are down, down, down, down, down
I'm taking a stand, cause you kinda of a sleeping
I just need to know right now, now, now, now, now,
I know you got a man, but girl I don't believe it
Where's your man at, box... your feet up
We can't deny, baby I'm trying
But I think it's time you let him go

Cause I don't wanna push you away
I gotta get out of this, emotional rollercoaster
Up and down it's always the same
I gotta get out of this, emotional rollercoaster

I don't wanna end, I don't wanna end,
I don't wanna end out with a broken heart, heart X 4

You know it's crazy right?
We've been in this for too long now

Check it, 1
When a chick like you meet a fellow like me
And they meant to be like 2
But it's a whole lot... when another man's in between
Become 3, and that's a problem right there

So the drama increase, but what for
Tell me what is it for? Tell me what is it for?
Yeah, you know I really tried to explain you several
times
What I feel
I guess this explains the...

Cause I don't wanna push you away
I gotta get out of this, emotional rollercoaster
Up and down it's always the same
I gotta get out of this, emotional rollercoaster

I don't wanna end, I don't wanna end,
I don't wanna end out with a broken heart, heart X 4
Cause I don't wanna push you away
I gotta get out of this, emotional rollercoaster
Up and down it's always the same
I gotta get out of this, emotional rollercoaster

I don't wanna end, I don't wanna end,
I don't wanna end out with a broken heart, heart X 4
