Whoa Whoa Ohh
Whoa Whoa Ohh
Can't wait to lay up in your cherry moan
Ohh yeah

[Verse 1]

It's been a while since I've had you inside my room
and,
I'm back in town and I'm hoping you come through
and,
Don't forget your overnight bag, makeup and all of
that, girl
I wanna do something so freaky to you (you)
Can't wait to get you in my room (room)
Don't act like you don't know what to do (do)
Slide up her left hair, I get it all for you, yeah

[Chorus]

I wanna make love on the balcony tonight
Gonna be some baby-making going on tonight
Gonna make your body sing "Oo Oo Oo"
While I'm making love to you "Oo Oo Oo"
I hope the neighbors look outside and see me workin
on you, and it
Makes them wanna go to the bedroom and do it too
Lemme hear your love call, "Oo Oo Oo"
Oh girl, wanna make love on the balcony to you

[Verse 2]

Don't wanna stop until the sun touches your body,
oh girl (girl), girl (girl)
Sex like we paid the DJs - stay after the party, oh girl.
Whoa yeahh
I don't care, they lookin over here
While I got your "€! In the air
Put your legs around my waist
For a gold hard, gotta get a taste
Pillows for your knees
While you gimme that

[Chorus]

I wanna make love on the balcony tonight

Gonna make your body sing ã, "Oo Oo Ooã,"

[Bridge]

I done wanna lay your body down
In the sweet balcony, high off the ground
Bend you over, imma bust that bottom down
Sexing your body, we making love sounds
[x2]

[Chorus]

I wanna make love on the balcony tonight
Gonna be some baby-making going on tonight
Gonna make your body sing ã, "Oo Oo Ooã,"
While Iã, 'm making love to you ã, "Oo Oo Ooã,"
I hope the neighbors look outside and see me workin
on you, and it
Makes them wanna go to the bedroom and do it too
