"Don't go there," I heard her say.  
"You can't stomach what you're going to see"  
It's down there, by the water's edge  
wasted and bloated and waiting for someone else

Funny how, these things come about  
When you're tied to the teeth and mouth  
No sound or fury, no shot of pain  
There was no real reason, no gain

I can't go down to the waters edge  
I didn't do it.....I saw who did  
Don't go down to the waters edge  
They did it once and they can do it again

It ain't no secret to me  
How she got there down by the stream  
I'd seen her a minute before the van pulled up and  
opened  
The door (took all my love)

I can't say a single word  
About what I saw of her  
Cuz her killers....they got their friends  
in familiar places, I tell you man

I can't go down to the waters edge  
I didn't do it.....I saw who did  
Don't go down to the waters edge  
They did it once and they can do it again

This ain't no f\*\*\*ing game  
And I'm feeling so ashamed  
Because I didn't do anything  
No I didn't do anything  
To stop, to stop, to stop, to stop  
This.. from.. happening  
I didn't do anything

"Don't go down to the water's edge," he said to me  
I didn't do it, but I saw who did you see  
Don't go down to the water's edge,

They did it once, they can do it again

I swear, I swear, I swear, I swear

I didn't do anything, I should have done something
