She was always in my corner
her tear drops fell on my shoulder
when she left, I long to hold her
how could this ever be?
she was the girl of my dreams
guess I feel for her skins

Ashegho por ehsaseh
oon ashkash mesle almaseh
Vase man aziztarineh
Mimiram barash
Jaye ashkash roo shoonehameh
tabeh dastash roo goonehameh
Midoonam eshgham hamine
mimiram barash

Khoda, age meyooneh inameh adam... bazam nobateh bakhtaneh man bood
Chera ashegh shodam?
ooni ke hame hastimo zire paash dadam
chera atisheh sookhtaneh man bood?
chera ashegh shodam?

Eshghesh az saram ziyadeh
delamo bordeh, che sadeh...
Mibini kojayeh karam?
Mimiram barash
vaghti hast, ashegh tarinam
behtarin marde zaminam
Sar roo shonehash mizaram
Mimiram barash
