Key of D

Cold Trail Blues  
I could use  
any kind of sign  
That your still on mind

Cold Trail Blues  
I've been searching round the world for you  
No matter how I call  
I'm no close at all

Inst.

It's almost like you never came  
I swear I almost lost your name  
Once you meant so much to me  
I thought your love would set me free

Cold Trail Blues  
Something that I need that I just can't find  
Is it too late now  
Am I too far behind

Inst

Well there's a whole new call in the air for me  
and they just don't seem to care  
still I keep searching for you through  
I'll find your trail right through this room

Cold Trail Blues  
Something I need that I need that I just can't see  
is it too late now  
Youre here inside of me

Cold Trail blues  
I could use  
any kind of sign  
your still on mind

Any kind of sign  
your still on mind

Cold Trail Blues  
Cold Trail Blues
