Mc Chris Ownz

MC Chris ownz

I wanna go to an MC Chris show  
But he doesn't tour, so in the meantime  
I'm gonna memorize all of his rhymes

I spell word with a three  
Name's MC  
Other rappers flow weak  
Like window unit AC's

Latinas on my penis  
Japanese on they knees  
I love all the ladies  
As long as they eighteen

I got bling up the ying  
A plethora of Porsches  
I'll say anything  
'Cause my mouth is remorseless

Even the source says  
My hip hop's a vortex  
Leave horseheads on doorsteps  
My mic checks cost Corvettes

The strobe light explodes white  
As I step on the floor  
The barkeep knows the code  
So he throws me a Stroh's

Weak MC's decompose  
'Cause they know I can flow  
Like Wesell comma Zam  
Through Coruscant corridors

Humidors filled with stoges  
Filled with dro  
Like Nine-Oh-Two-One-Oh  
Is filled with the word bro

Fuck the lexicon of octagons  
I'm all about go  
These amateurs got catheders  
I'm all about pro's, 'bout pro's.

I'm lit like a branch davidian  
Or what's left of the lithium

I fill Wimbly Stadium

Once bitten, twice shy  
Call it pyromania  
When I roll up in Kashyyyk

I roll three Jedi's deep  
The fleet of peeps that I creep  
All got vest's underneath

There's no need to believe  
In the heat that I keep  
Or the swears that I \*bleep\*  
Of the heiresses I freak

It's embarrassing to me  
I'm like kerosene it seems  
Or D-R-E-W B with incendiary schemes  
Blowin' up, makin' cream

I am just like Howard Dean  
When I scream  
I get red  
I get mean

Can't believe you be buying  
What I be shucking and jiving  
Fuck it if I am the next big thing  
With promotional tie-ins

I am just cartoon making rapper  
You think I'm lying  
Everybody bust a move  
Like it is that rave in Zion

My self aggradizing and deprecation  
Keeps 'em guessing

Call my venus flytrap  
'Cause my DJ's Howard Hessman

Word 'em up, yo  
Word 'em up, yo  
I just let the rap game  
Out of a choke hold
