That certain night, the night we met, There was magic
abroad in the air There were angels dining at the
ritz And a nightingale sang in berkeley square! I may be
right and I may be wrong, But I'm perfectly willing to
swear That when you turned and smiled at me A
nightingale sang in berkeley square! The moon that
lingered over london town Or puzzled moon, he wore a
frown How could he know we two were so in love? The
whole darn world seemed upside down! The streets of
town were paved with stars It was such a romantic
affair! And when we kissed and said goodnight A
nightingale sang in berkeley square! < instrumental
break > The streets of town were paved with stars It was
such a romantic affair! And as we kissed and said
goodnight A nightingale sang in berkeley square! I know
?cause I was there That night in berkeley square!
