All through the day, I dream about the night
I dream about the night here with you
All through the day, I wish away the time
Until the time when Im here with you

Down falls the sun, I run to meet you
The evening mist melts away!
Down smiles the moon, and soon your lips recall
The kiss I dreamed of, all through the day!

< instrumental break >

All through the day, I wish away the time
Until the time when Im here with you

Down falls the sun, I run to meet you
The evening mist melts away!
And down smiles the moon, and soon your lips recall
The kiss I dreamed of, all through the day!
