Caterina, oh, ho, ho (oh, ho, ho)
When we kiss, purty miss
Purty miss, I'm in ecstasy
(Si, si, si, si)

Caterina, oh, ho, ho, ho (oh, ho, ho, ho)
When we kiss, purty miss
Purty miss, are you thinking of me
(Are you thinking of me)

Caterina, ha, ha, ha (ha, ha, ha)
Just how long is the list
Is the list of the lips you've kissed

Oh, how happy my heart would be
If I knew that you loved just me
Say it's true, say you do, Caterina

Caterina, oh, ho, ho (oh, ho, ho)
When we kiss, purty miss
Purty miss, I'm in ecstasy
(Si, si, si, si)

Caterina, oh, ho, ho, ho (oh, ho, ho, ho)
When we kiss, purty miss
Purty miss, are you thinking of me
(Are you thinking of me)

Caterina, ha, ha, ha (ha, ha, ha)
Just how long is the list
Is the list of the lips you've kissed

Oh, how happy my heart would be
If I knew that you loved just me
Say it's true (say it's true)
Say you do (say you do)
Cateri (Cateri, Cateri, Caterina)
