(CHORUS)

Dream on
Little dreamer, dream on
Dream on
Little dreamer, dream on

I get a heart full of butterflies
Looking into your dreamy eyes
Dream on (dream on)
Little dreamer, dream on

(CHORUS)

Dream about a love so true
Dream about how I love you
Dream on (dream on)
Little dreamer, dream on

You know I love you
I love you, I need you so bad
Each night I realize when
You close your dreamy eyes

(CHORUS)

Dream about a love so fine
Sweet as apple berry wine
Dream on (dream on)
Little dreamer, dream on
Little dreamer, dream on
