I was just looking for that sense of fun  
I was just looking for that sense of fun  
That you had, that you had in your eyes  
I was just waiting for a friend of mine  
I was just waiting for a friend of mine  
That I knew, that I knew, that I knew

In my past life  
My past life  
What you'll find if you come is forgiveness  
What you'll find if you come is forgiveness

And if you ever come to claim your prize  
And if you ever come to claim your prize  
Will you look me in the eye?  
Will you look?  
And I don't see it as a place on earth  
No I don't see it as a place on earth  
Anymore. Anymore. Anymore. Anymore.

My past life  
My past life  
What you'll find if you come is forgiveness  
What you lost, what you lost was your witness

What did you find?  
What did you find in my  
My past life  
My past life  
What you'll find if you come is forgiveness  
What you'll find if you come is you're forgiven
