Freedom, freedom
Is this freedom?
Is it freedom?
Because I've been fighting wars I'll never win
Been losing all my life

Is this freedom?
Is this freedom?

Too high, too low
Too young to know
Too high, too low
Too quick, too slow
All my life, all my life

Freedom, freedom
Is this freedom?
Is it freedom?
Because I've been searching for that harvest moon
Been searching all my life

Is that freedom?
Is that freedom?

Too high, too low
Too young to know
Too high, too low
Too quick, too slow
All my life, all my life
